**Free of the following common allergens:** milk/casein, eggs, shellfish, tree nuts, peanuts, wheat, gluten, corn, and yeast. Contains no artificial colors, flavors, or preservatives.

Soy-Allergen Free

**Suggested Use:** 1/2 teaspoon daily with food.

Omega-Max Liquid supplies highly-concentrated amounts of important omega-3 EPA and DHA fatty acids derived from fish body oils. Molecular distillation processing and specialized refining technologies yield an ultra-pure fish oil concentrate. Each batch is independently tested for mercury, pesticides, and PCBs to assure exceptional oil purity. Added natural vitamin E tocopherols and rosemary antioxidants maintain freshness by protecting against oxidation. Natural lemon flavor provides a light citrus taste.

Do not use if shrink band is broken or missing. Store unopened bottle in a cool, dry place (59°F-85°F) away from direct light or keep refrigerated. Refrigerate after opening. **KEEP OUT OF REACH OF CHILDREN.**

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
